It's another great Springtime in the Low Country of South Carolina. Azaleas are popping, pear trees are in bloom, and it's time to plan all our Spring plantings. The birds are building nests, and the egrets, herons, and ospreys are all looking "happy" as the warm weather rolls in. For the lucky residents of Sun City Hilton Head, life is good.

For good reason, our area remains one of the prime retirement and vacation locales in the entire United States. The entire area is blossoming with new development--stores and residences, and Sun City remains a center piece for affordable, quality homes and unequalled amenities.

Mortgage rates remain attractive, and it's a perfect time to buy a new home, or to sell your existing house. Buy a lovely Sun City Hilton Head home now, and you'll have years of great retirement---full of the joys of great neighbors and friends, great on-property entertainment and shows, and wonderful indoor and outdoor activities.

Please call me at [843-298-5219](tel:843-298-5219). I can make the whole Real Estate process easy for you---finding that special new home and selling you existing house.
